Tips for smooth home-to-school transitions:

- *Make sure your child is confidently potty-trained*
- *Keep farewells in the morning sweet, but brief*
- *Share your child's words or signals for bathroom use with us prior to the start of school*
- *As much as possible, send only easy-to-handle foods, in packages that your child can open independently*
- *Utilize plastic folders for special notes to staff regarding your child's daily needs: even 2 words, such as "tough morning!" can help us better accommodate behaviors.*
- *Make sure your child has a full set of extra clothing in his or her backpack every day, corresponding to season and of the correct size.*
